These materials may include information related to certain insurance products and services (“Products and Services”) and insurance-related services provided by the Company. The Web Site may also contain text, pictures, graphics, logos, button items, images, works of authorship, and other content (collectively with all information and material about the Products and Services, “Content”), and may provide access to certain proprietary software used in connection with navigating and utilizing the functionality offered through this Web Site (“Software”).

PLEASE NOTE: Your access to and use of this Web Site are subject to these terms of use (“Terms of Use”), as well as all applicable laws and regulations. Please read these Terms of Use carefully. If you do not accept and agree to be bound by any of these Terms of Use, you are not authorized to access or otherwise use this Web Site or any Content, Services or Software contained on this Web Site. Your access to and use of this Web Site constitute your acceptance of and agreement to abide by each of these terms and conditions set forth below. Unless otherwise indicated, any new Services, Content and Software added to this Web Site will also be subject to these Terms of Use effective upon the date of any such addition. You are encouraged to review the Web Site and these Terms of Use periodically for updates and changes.

Limited License and Site Access – The Company hereby grants you a limited license to access and make personal use of this Web Site but not to download (other than page caching, and other than for personal use, as further provided below) or modify it, or any portion of it, except with express written consent of the Company. This license does not include any resale or commercial use of this Web Site or its Content or Software; any collection and use of any product listings, descriptions or prices; any derivative use of this Web Site or its Content; or any use of data mining, robots, or similar data gathering and extraction tools. This Web Site or any portion of this Web Site may not be reproduced, duplicated, copied, sold, resold, visited, or otherwise exploited for any commercial purpose without the express written consent of the Company. You may not frame or utilize framing techniques to enclose any trademark, logo, or other proprietary information (including images, text, page layout, or form) of the Company or its affiliates without the Company’s express written consent. You may not use any meta-tags or any other “hidden text” utilizing any of the Company name(s) or service marks without the express written consent of their owners. Any unauthorized use of this Web Site terminates the permission or license granted by the Company.

Availability of Products and Services – Due to various insurance and other regulatory restrictions, certain Products and Services described on this Web Site are not available to all users. Also, Products and Services may vary by jurisdiction and not all Products and Services are available or suitable for all United States jurisdictions. **EXCEPT AS EXPRESSLY STATED HEREIN, THE INFORMATION CONTAINED ON THIS WEB SITE IS NOT AN OFFER TO SELL OR A SOLICITATION TO BUY ANY SECURITY, INSURANCE PRODUCT, OR OTHER PRODUCT OR SERVICE BY COMPANY OR ANY INSURANCE COMPANY. No security, insurance product or other product or service is offered or will be sold by Company or any insurance company, or, if sold, will be effective in any jurisdiction in which such offer or solicitation, purchase or sale would be unlawful under the securities, insurance or other laws of such jurisdiction.**

I agree that I cannot and will not attempt to bind, cancel, modify, alter or amend any insurance coverage through this web site or by leaving a message or otherwise communicating through this web site. I agree that this web site is not the place to seek changes to any insurance policies or program.

I understand and agree that the portal and the information disclosed on it does not confer any rights upon me or anyone else and does not affirmatively or negatively amend, extend or alter the coverage afforded by any insurance policy and/or other risk handling or risk transfer program(s). Any information disclosed concerning insurance policies is subject to all of the terms, exclusions and conditions of such policies. Any limits shown may have been reduced by paid claims.

Please contact a designated Company representative to find out which Products and Services are available to you in your state.

This Web Site may provide certain summary descriptions or other helpful information regarding Products and Services. Company attempts to be as accurate as possible; however, any such materials are intended to generally describe the Products and Services and are subject in all respects to the specific terms and conditions of the actual policy or product/service agreement to which they refer. Complete policy terms are available upon request.

If I become aware of any information on this Web Site or otherwise which I believe is incorrect, or if I want to make any changes to insurance or risk handling and risk transfer program(s), I agree to contact appropriate MSW representatives.

Insurance quotes are furnished by the individual insurance companies and are subject to change without notice. A quote should not be construed as a promise from the insurance company to actually issue that policy or any other policy to you. Insurance quotes presented are based on the information you have provided to us. To purchase a policy, you must submit a completed application to the insurance company. The insurance company will review your application, along with other information they may obtain from outside sources. After the insurance company has completed its underwriting process they will determine the actual premium to charge you. This underwriting process may result in higher or lower premiums than your quote.

THIS WEB SITE CONTAINS A BINDING ARBITRATION PROVISION WHICH MAY BE ENFORCED BY THE PARTIES

Dispute Resolution – Any controversy or claim arising out of or relating to these Terms of Use, our Privacy Notice, or use of this Web Site shall be settled by binding arbitration in accordance with the commercial arbitration rules of the American Arbitration Association, except that, to the extent you have in any manner violated or threatened to violate the Company's intellectual property rights, the Company may seek injunctive or other appropriate relief in any state or federal court in Alabama, and you consent to exclusive jurisdiction and venue in such courts. Any such controversy or claim shall be arbitrated on an individual basis, and shall not be consolidated in any arbitration with any claim or controversy of any other party. The arbitration shall be conducted in Birmingham, Alabama, and claims regarding the judgment of the arbitrator (including entry of judgment on the arbitration award) may be brought and shall be subject to the exclusive jurisdiction of the State and federal courts located in Birmingham, Alabama, and you waive any jurisdictional, venue, or inconvenient forum objections to such courts. Either you or the Company may seek any interim or preliminary relief from a state or federal court of competent jurisdiction in Birmingham, Alabama as may be necessary to protect the rights or property of you or the Company pending the completion of arbitration. You agree that any action to enforce this arbitration provision will be brought in the federal or state courts located in Birmingham, Alabama.

Governing Law; Jurisdiction; Venue; Severability of Provisions – The Terms of Use are governed by the laws of the State of Alabama, USA and controlling United States federal law without regard to any conflicts of law provisions. If any provision is deemed by a court of competent jurisdiction to be unlawful or unenforceable, it will not affect the validity and enforceability of the remaining provisions. The section headings are for convenience only and do not have any force or effect.

Surplus Lines Products – Certain Products described in this Web Site may be underwritten by U.S.-based surplus lines insurers. Consequently, these Products are sold on a surplus lines basis only, which means that they are available only through properly licensed excess and surplus lines brokers and in accordance with applicable surplus lines laws.

Surplus lines insurance is intended to meet customer needs for high risk and specialized insurance products not available from the conventional market. Surplus lines products are offered only by 'non-admitted' insurance companies which are not licensed to do business in the states in which their products are sold. Surplus lines carriers do not generally participate in state guaranty funds and thus insureds are not protected by such funds.

In keeping with regulatory restrictions affecting surplus lines products, the information provided in the non-password protected sections of this Web Site relating to surplus lines products constitutes neither a solicitation to purchase nor an offer to sell surplus lines insurance products and services, but is for general information purposes only and is not an offer to sell or a solicitation to the general public. Any password-protected sections of this Web Site related to surplus lines products are accessible by properly

licensed surplus lines insurance professionals only and contain information for products that may not be available in all states. Inquiries should be directed to your local licensed surplus lines insurance broker.

Password Accounts, Passwords, and Security – If you have been given the option to open an account on this Web Site which will provide you with access to password protected portions of the Web Site and you elect to do so, you must complete the registration process by providing us with current, complete and accurate information as prompted by the applicable registration form, and choose a password and user name. You are entirely responsible for maintaining the confidentiality of your password and account and for any and all activities that occur under your account. You agree to (a) immediately notify the Company of any unauthorized use of your account or any other breach of security of which you become aware, and (b) exit completely from your account at the end of each online session. The Company will not be liable for any loss that you may incur as a result of someone else using your password or account, either with or without your knowledge. However, you could be held liable for losses incurred by the Company or another party due to someone else using your account or password. You may not use anyone else’s account at any time, without the permission of the account holder.

Severability – To the maximum extent possible, each of the disclaimers and each of the provisions of the Terms of Use shall be interpreted in such a manner as to be valid and enforceable under applicable law. If any provision hereunder is held to be invalid or unenforceable under applicable law, such provision shall be deemed modified so as to be rendered valid and enforceable while implementing, to the greatest extent possible, the original intent of such provision. If such reformation is not possible or permitted, the invalidity or unenforceability of such a provision shall not otherwise impact the validity or enforceability of the remaining provisions hereunder.

Waiver – No waiver of any term or condition herein shall be deemed a further or continuing waiver of such term or condition or any other term or condition.

Modification of Terms – The Company reserves the right to modify these Terms of Use without notice to you, and your continued use of the Web Site after such modifications will make such modifications binding on you. These Terms of Use are effective until terminated or updated by the Company. In the event of termination of these Terms of Use, the disclaimers and limitations of liabilities set forth in the Terms of Use will survive. The modified Terms of Use will apply only to disputes that arise after the modification has been posted on the Web Site. After the Terms of Use have been modified, the Web Site will provide a link to a Notification of Modification for Web Site users for a period of one (1) year after the effective date of such modification.
